

Dylan Hunn

*Blue Dusk*

For piano

Duration: 5 pages, 3:30

Plano West Senior High School

Teacher: Cathy Koziatek

“Each day the sun sinks below the distant horizon, and the world, for merely a moment, is flooded with blue light. The organic quintuplet figures and extended harmonies illustrate the shimmering, otherworldly quality that engulfs the landscape as the sunlight dwindles away. The piece drifts into chromatic and quartal despair just as the dusk fades into darkness, and ends with a hymn mourning the departed sun.”
